Introduction

Hello and welcome to BLYNKAWY! Our platform simplifies managing your home environment by integrating smart technology into everyday life. With our user-friendly interface, controlling your smart devices has never been easier. We're excited to announce that we have a simulation prototype available for you to explore the features and functionalities of our application. Click [here](#) to access the simulation and experience the convenience and efficiency of the application.

Add Manually Screen

The image shows a mobile application screen titled "Add Manually". At the top left is a back arrow icon. Below the title are two text input fields: "IP-Address" and "Name". At the bottom of the form area are two buttons: "Cancel" and "Save". The "Save" button is highlighted with a dark green background. At the very bottom of the screen is a navigation bar with three icons: a house (home), a person (profile), and a gear (settings). The home icon is highlighted with a white circle.

Terms & Policy

1. Acceptance of Terms

By accessing or using Blynkawy, you agree to abide by these terms and policies. If you do not agree with any part of these terms, you may not use our application.

2. Privacy Policy

Our Privacy Policy explains how we collect, use, and protect your personal information. By using our application, you consent to the collection and use of your data as described in our Privacy Policy.

3. Security Measures

We implement various security measures to protect your personal information and the security of your smart home devices. However, we cannot guarantee complete security against unauthorized access or misuse.

4. User Responsibilities

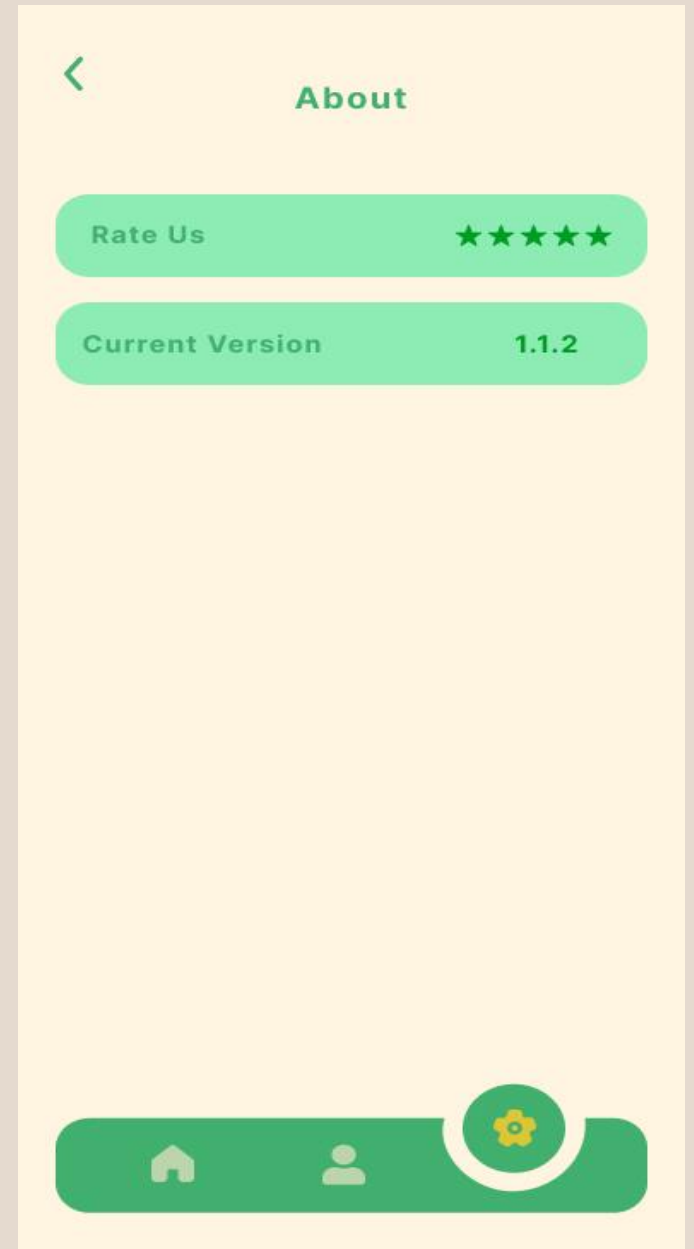

You are responsible for maintaining the security of your account credentials and for any activities that occur under your account. You must also comply with any usage guidelines provided by Blynkawy.

5. Intellectual Property

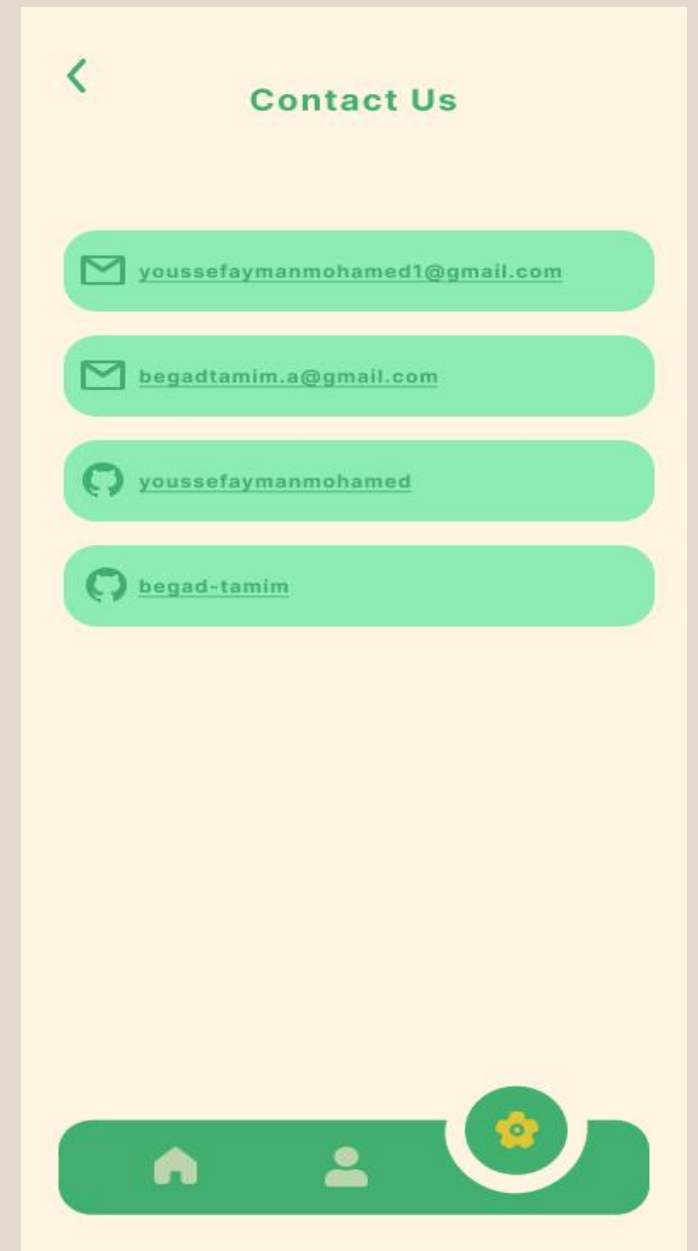

All content and intellectual property associated with blynkawy are owned by us or our licensors. You may not use, reproduce, or distribute any content from our application without prior written permission.
